Dear (Delores):

Well Guad is old kid
I sure have had a lot
of fun knowing you and
teasing you about your
cute little Mexico friends.
I guess you'll be glad when
school starts next year so
you and Manuel can continue
where you left off. I noticed
that gleam in your eye when
you look at those guys. I don't
see why Richard doesn't get jealous
Boy I sure would. I hope we

Dear Deloris,

I guess you & I have had some really
swell times messin' around this year —
I can't think just where to begin —
I'll start backwards - the Jr. Sr. banquet &
the fun afterwards - the Kit Kat & 302 &
Balton & Babe - the dance was swell too
but I didn't enjoy the dinner ?? I wonder?
Then there was the Mexican food & the show
afterwards in the La Salle - Then New Years
Eve. at the midnight show with all the
trimmings — ??? what trimmings!!!
Then the shows in between without the
trimmings were fun too. It was fun
at San Bernadino & the little wager we
made on Main St. - fun even if we
didn't carry it out - we still have
time before we graduate. Let's try &
get together this summer & have some more
"hot" times —

you've made a swell Club - League Pres.
& we've had fun in Student Council &
here's to the fun we'll have as seniors!

Let's drink to it — !!! Love
Patty

Dear "Ma" -

Well, all thing our Senior year is almost over and hasn't it been swell. Beginning with the dance at Downey, through our ditching and going to the show (was my face red when the usherette kicked some off your legs!!) then there was the Jr.-Sr. Prom and all of the school dances, my party at the mountains and the time we took pictures at the mountain, (more fun being movie stars), and of course Jr. mountain day when you stayed home and salted the meat. And of course the fun making hats for the grand finale, the, hang net. Goals, that was work but it was fun.

I hope we have as much fun next year, and just think next year at this time we'll be out of school. Paper! Remember New Year's Eve? - You looked just a little dazed but anyhow it was fun. Well I've almost finished this page - and so maybe I'll see you this summer. Lots of luck to a marvelous Girls League Pres. (I ought to know, or had I?)

I think so. Don't you? We're
glamming and preparing for the
which turned out to be a
success. Remember the night
I decorated Kate while she
worked and that also was
my show. **Foreword** with kitty
got killed. Better sign!

Throughout the years Chino High
has developed a splendid school spirit.

This year, without victorious teams to
applaud, that same fine spirit has
continued.

A school may have a beautiful cam-
pus, stately buildings, and a large stu-
dent body, but without that something
known as "school spirit" a school will
lack one of the most essential qualities
of a great school.

In keeping with this idea we have
made "school spirit" the theme for
this number of the El Chasqui.

Dear Delours.
 We have had fun this year
 haven't we. you sure looked
 swell at the banquet. Have a lot
 of fun this summer. Next
 year you'll be taking book-
 keeping and hope I do
 as good in it as you did!
 Luck from a friend
 Gene Embly.

Dedication

The staff dedicates this number of
 El Chasqui to Mr. Arvin S. Dunn,
 printing instructor, who through many
 years of unselfish service to Chino
 High School has endeared himself to
 all who know him.

- Dear Delours -

We've sure had fun this
 year in Chemistry, at the Dr. Dr.
 Banquet, and in school in general.

Here's wishing you lots
 of luck, & I hope you have a good
 time this summer.

Don't study too hard
 next year.

Jack Langdell

Delours:
 I don't know what
 you thought of book-
 keeping, but thought
 we had a fairly
 good time, considering.
 It was a hard lesson

 there is no final

 we have had so
 much fun this year
 but next year we
 are going to a much
 better time.
 Have all the fun
 you can

Superintendent's Message

The year 1938-39 has been a year of progress. . . The students deserve much commendation for their fine attitudes of cooperation and industry. . . There has been developed a strong sense of idealism as well as of scholarship.

Chino High School has developed a strong scholarship record. . . The results are shown by the records of our graduates. Another field in which our school stands out is in the ability of our graduates to get jobs and make good. . . The requirements for success are more complex today than they were in previous generations. . .

Here are some important points:

1. Have definite goals. . . Think on them. Talk about them. Write on them.
2. By all means graduate from high school; then, if interested, by all means attend college.
3. Study hard to learn all you can. . . Knowledge is power.
4. Keep in first-class physical condition!
5. Develop your personality by taking a keen interest in others and in helping them to be successful and happy. Make many friends.
6. Don't get discouraged. . . Keep plugging away steadily and success will come to you. . . The universities have discovered that the most important essentials are stick-to-it-ive-ness, hard work, and character.
7. Smile!! and "keep-a-going!!!"

Cordially yours,
Leonard F. Collins

The Associated Students of Chino High School are represented by the Student Council. It consists of the student body officers, the president of each class, the boys' and girls' club president, three appointed faculty members, and our principal. The student body officers hold corresponding offices in this organization. Each member of the council has done his best at all the meetings to represent his class or organization. The council meets regularly every two weeks, and special meetings may be called by the president if approved by the principal.

The organization was started several years ago for the purpose of discussing and deciding upon problems pertaining to the welfare of our students and school. This year under the leadership of Gene Cummins, the president, our school has developed a wholesome school spirit.

Senior Class History

Attention Everyone! Senior Class speaking: We've spent six years in CHS, and now we are ready to graduate. We've had lots of fun in those six years, but we've also had our share of work. Just listen to the things we've accomplished:

There were one hundred-seventy of us when we entered the seventh grade. We have decreased in number since then, but we've more than made up in quality for what we lack in quantity.

By the time we were in the 9th grade, we were getting used to all those things which had seemed so strange to use at first—changing classes, dressing for gym, demerits and regular assemblies—and really were enjoying ourselves. We began to make the rest of the school sit up and take notice. A number of our class mates made names for themselves on athletic teams; and a few even made the C. S. F.

As sophomores, we became even more important in school activities but it was in our junior year that things really began to happen. First, we got our rings—really much better than those of any other class. Sandwiched between some of the best parties ever was an exciting day at Big Pines with plenty of fun and thrills for everyone. As a climax to it all was our junior-senior banquet held for the first time in the Community Building.

Now it's almost over, basketball—victories and defeats, ditchday, class night, and homework are fast becoming nothing but memories. It's only a short time now, until we will take our places on the auditorium stage, hear a few brief speeches, and then walk slowly by to get our diplomas and say a final farewell to Chino High.

To all of our class mothers, officers, and advisers, we say "Thank You."

Seated: Lois Myers, social chairman; Jerry Hendriks, treasurer.

Standing: Willa Mae Swank, secretary; Laddin Meairs, vice-president; Francis Wilson, president.

Junior Class History

Juniors — The seniors of tomorrow! Making this year a cycle of progress and a round of colorful activities, the junior class has been extremely active in all phases of school life. They have sponsored many affairs for themselves as a class; but this group has not confined its vim and vigor to the class of 1940, for they have backed all student body undertakings.

As individuals they have enjoyed distinction; as a class they have had unity. Organizing at the first of the year, they elected a capable set of officers with Dick Dunlap as their able leader. It would have been a different task to find a more spirited, loyal or active group of students.

The juniors were represented in a large number of important organizations, and many of the members figured prominently in athletics. Their scholastic rating was unusually high, for they boasted the largest membership in the scholarship society.

The juniors are assuming a somewhat responsible look as they contemplate next year when they enter the realms of the graduating class. Much will be expected from these students when they come back next year to climax their four years in high school. To the juniors, then for their last year—Success! May it be a happy one!

C. S. F.

The California Scholarship Federation is a national organization which recognizes and encourages high scholarship and fine character. Their motto, "Scholarship for Service," indicates the purpose of the organization. This year students took an increased interest in the scholastic side of life, which resulted in an unusually large membership.

Besides the meetings at school and the parties, the main event is an annual outing. This year, on April 28, a three day trip was taken to San Diego with headquarters at Pacific Beach. The students visited the marine reserve, the airplane factory, and the zoo at Balboa Park besides many other places of interest around the bay. They returned home on Sunday by the inland route and stopped at Palomar Observatory.

Jr. Hi-Y

The Jr Hi-Y, the goal all eighth and ninth grade boys long to attain. This club in the past years has done much toward building higher ideals and a clearer life for our boys.

The initiation is a very gay time for those who are initiating the boys, but, oh, the poor candidates! However, there is a more serious part of this initiation, the taking of this pledge:

"To endeavor always to improve myself and to help others to improve themselves. To be courteous. To do what I think is right at all times. To use clean speech. To keep myself free from habit forming practices. To exert all of my influence and efforts toward the promotion of things which are good and fine and to work as hard against those things which I do not believe are good. To be a good sportsman in athletics and to encourage my team mates to be good sports. To keep my scholarship as high as my ability will allow me. To be always honest in my scholarship and to encourage my companions to be likewise honest."

The club under the leadership of Mr. Carter had as its officers: Robert Langdell, president; Jim Whittington, vice-president; and James Rapattoni, secretary-treasurer.

First Row: R. Langdell, J. Rapattoni, Mr. Carter, W. Schultz, J. Whittington, A. Wagner.

Champion Dairy Judging Team

Chino High School can now boast a state champion dairy cattle judging team. Three boys, John and Ernest Jones, and Henry Bernard with their instructor and coach, Mr. Marble, started out the year with consistent winnings in local judging contests. They never missed an opportunity that presented itself to learn some of the fine points of dairy judging. When the state contest was held in May at San Luis Obispo, this team was ready for any competition and as a result captured first place, thus winning the title of state champions. The greatest honor connected with winning the state championship was the trip to Kansas City that the team was entitled to. With all expenses paid the boys and Mr. Marble attended the national contest in October.

Seated: Mr. Marble, Henry Bernard, John Jones, Ernest Jones.

Hi-Tri

The Hi-Tri is an organization for girls in the tenth, eleventh, and twelfth grades. It was organized as a club which would create fellowship among the members and as their motto implies, "Find and give the best."

All Hi-Tri girls resolve to "Face Life Squarely," and at all times do their very best. To be a good Christian is an outstanding point, as also is Loyalty, Sincerity, and Dependability.

This club meets once a month at the homes of the members, and in addition to this, regular meetings, dinners, week-end trips, and parties are enjoyed.

At the first of the year five new members were initiated into the organization with formal and informal initiation. Despite the limburger cheese, raw oysters, and canned milk all the new members can honestly say that they are glad to be members of this organization. At the semester six more members were chosen. They had rough treatment also, such as eating green olives, worms, and onions.

The Hi-Tri outfits this year were royal blue skirts, white sweaters, and royal blue scarfs.

An interclass sports program was followed and all seasonal sports enjoyed. Playdays were held at the close of each season where all Tri-County League schools competed.

The officers and managers of sports attended sports activities at different colleges making it possible for Chino girls to participate in college playdays as other recognized schools do.

Homemaking Club

This year finds the Homemaking Club a permanent organization in our school. This club consists of all the girls in the 11A Homemaking class.

Under the enthusiastic and efficient leadership of Miss Johnson, their adviser, the girls have enjoyed a successful year, and they feel better equipped to be efficient homemakers when they leave school.

During the year the girls tried to achieve the following: to keep well informed on the new trends and developments in homemaking, to conduct recreational and educational activities, to motivate and enrich class work, to serve the school where there is the greatest need, and to create a home atmosphere in the Homemaking department and the school by extending hospitality.

The officers who served this year are: Arlene Berryman, president; Louise Gakle, vice-president; Ernestine Cliburn, secretary; Natividad Briones, treasurer.

Seated: L. Gakle, A. Berryman, I. Cliburn, N. Briones.

Standing: C. Morales, I. Santos, Miss Johnson, J. Mc Bath, C. Johnson.

Girls' League

This year has seen the Girls' League awaken to interest and a larger place in school life. The girls showed more interest as was manifest by their numerous parties and meetings and the large attendance at each affair.

The League began the school year with a vigorously contested election which resulted in the selection of an efficient cabinet that was to prove its worth during the year. It consisted of: Delouris Wells, president; Sadie Wright, vice-president; Violet English, secretary; Claire Wallace, treasurer. Also in the Cabinet were committee chairmen who had been elected with the officers—an innovation in the league. Each chairman had charge of his particular department (i.e. social, food, public welfare, school activities, international affairs, club room,) and sponsored one social affair during the year. Entertaining and worthwhile programs were held once a month.

The year closed with a birthday dinner, the money having been raised throughout the year by an assessment on each girl's birthday to the amount of her age. This was a fitting climax to a very successful year. Miss Larson was the enthusiastic sponsor for this organization.

Second Row: V. English, Miss Larson.

Band

Our band deserves a loud cheer for the splendid work they have done this year. They are still holding top place among the bands of the Tri-County League.

The rooting sections at the games were never more lively than this year. The song and yell leaders in their attractive costumes were the pride of the school. During the halves at games, the drum major and majorettes alway made a fine showing. Tom Taylor served as student director throughout the year.

The annual band concert was the highlight of the busy year. It was given on April 21. This proved that the band could play classical music as well as school songs.

Senior Hi Chorus

The thirty five members of the senior chorus include students from the ninth through the twelfth grades. Under the able direction of Mr. Morgan, the chorus has had a most successful year.

On Mondays the girls work in a group; on Tuesdays, Thursdays, and Fridays the boys meet; on Wednesdays, all enjoy singing in a mixed chorus.

During the Christmas season the combined community and school choruses presented a cantata, "The Mystery of Christmas." The operetta is a yearly event, which is looked forward to and participated in by all the chorus members.

Journeying to Bonita in May, the Chino chorus joined the rest of Tri-County League choruses in the annual music festival.

Junior Hi Chorus

The junior chorus is a group of conscientious, hard working boys and girls from the 7th and 8th grades. They meet five days a week under the direction of Mr. Morgan.

By mid-year a good deal of talent was discovered, and the chorus presented an amateur show in the auditorium. Dances, songs, and skits made up the program much to the enjoyment of the audience.

If these young students keep up the good work, our senior chorus will become bigger and better every year.

Orchestra

Music is one of the important factors in life. It helps to develop one's personality and to make one an all-round person. Everyone in school should try to take some music, because it is something you can enjoy now and all the rest of your life.

The orchestra is under the capable direction of Mr. Bruington again this year. He deserves much credit for his patient work with a group who had had little musical experience previous to this year.

The orchestra work has been divided into three parts: three days a week for ensemble, one day for the popular orchestra, and one day for individual or trio instruction.

The main public appearances for the orchestra are the Christmas program, playing in the assemblies, accompanying the operetta, and at the baccalaureate service.

Girl Scouts

Chino Girl Scouts were fortunate this year in the organization of a local council, a group of interested women in the community who will stabilize the movement locally and further the interests and activities of all troops chartered to enjoy the ten-field national program.

Troop 2, sponsored by Chino Junior and Senior High School has enlarged its membership to include several members of each grade in the upper division. The program for the year has included such varied affairs as radio broadcasts, a subscription campaign for a troop fund, city-wide benefit show, folk dance jamborees, hikes, acquisition of clubrooms in the Community Building, an outdoor week-end at the beach, and service to Casa Colina and the patients there.

Troop 2 was represented at the Rotary Luncheon, hostessed at the reception for the Regional Girl Scout director, participated in the Girls' League assembly, and prepared records of publicity to be sent to New York headquarters for judging.

Girl Scout patrol leaders this year were Phyllis Lang and Mildred Payne. Troop treasurer was Mary Irene Clarke, troop scribe Audrey Holmes. Adult leaders were Mrs. W. L. Welch, Miss Marian Henderson, and Miss Marie E. Larson.

Camping at Chaffey's Conifer Camp and at Camp Chaparrel in Big Basin, Santa Cruz mountains, will be enjoyed this summer.

Chino School Buses

Seven hundred and fifty of the Chino school's 1800 children, ride the buses to and from school. Twelve 50 passenger buses are in operation with several of them making two trips in the morning and evening.

How efficiently and safely these buses are operated is shown by the record of nearly one million miles of careful driving. The equipment is second to none in the county. The drivers are young men who are willing and capable of assuming responsibility. All have passed the rigid test given by the State Motor Vehicle Department.

To encourage careful driving, the National Safety Council offers each driver a safety award for every year of driving without accident. Pearly Lowe has driven 15 years without an accident, an enviable record, for sure.

Due credit for this splendid record should be given to those in charge of transportation, and to the tax payers who furnish the necessary funds to operate these well equipped buses.

Chino High School Athletics

Chino High School has won an enviable reputation for its fine sportsmanship in all athletic contests. They have endeavored at all times to remember that it's not the game that counts so much but the way you played.

This year has not been marked with many victories in our sports, but the teams have won the admiration of all by their clean playing and perseverance in the face of great odds.

Consistent with the spirit of the team the rooting sections have been faithful in supporting them.

CHAMPIONS OF THE TRI-COUNTY LEAGUE — UNDEFEATED — UNTIED
UNSCORED UPON (last year.)

This year Chino had the same old fighting spirit, the same "Little General" as coach, the same hard practice, and the same peppy rooting section that made last year's success; but when graduation, illness, and ineligibility had taken their toll, they lacked experience and "beef."

The Cowboys were scalped 12-0 by the Puente Warriors, but they forced Downey into the cellar position with a 7-13 victory for Chino. Chino held off Corona's battering attack, only to lose 9-6 by a last minute field goal. Chino lost to Bonita 20-6 and then suffered the worst defeat in years in a 38-7 loss to Citrus. Fighting stubbornly, they held down the powerful Colton team to a 13-0 victory.

The Tri-County League football season closed with Colton and Corona tied for the championship, neither wanting to risk a play off.

Lightweight Football

This year when Coach Dickey issued the call for lightweight football men, he found many eager but inexperienced fellows ready to go. With only three last year letterman Coaches Dickey and Elder molded a scrappy and hard-hitting team.

The league-opener with Colton was a thriller with the Cowkids leading the Tri-County Co-Champions until the last minute, when the Colton team scored and were victorious 13 to 7. But in the following game they defeated Puente 13 to 0. They then continued their victorious march to defeat Downey 13 to 0, Corona 13 to 6 and Bonita 13 to 0.

After this successful run the game little Cowkids seemed to let down. In their last game they met Citrus, the other Co-Champion, and were defeated 20 to 0. So the season ended with four victories and two losses.

Lettermen were: Captain L. Fletcher, L. Strona, G. Hernandez, A. Abbey, J. Decker, D. Dunlap, D. Young, R. Latham, R. Langdell, D. Strona, K. Vance, J. Welch, V. Berryman, B. Hunter, G. Bird, and Mgr. C. Mitchell.

Seated: J. Welch, K. Vance, J. Decker, L. Fletcher, L. Strona, D. Young, B. Latham.

Pee Wee Football

Most of us forget our Pee Wee teams, who are also out fighting for the glory of Chino High. Our youngsters made a good showing considering the fact that their team was composed of 7th and 8th graders, while the teams they played were mostly 9th graders.

Coach Carter brought his team through in third place; Emerson and Fremont tied for first. The Chino Pee Wee won two games from the Junior Republic; defeated Claremont once and tied once; they lost to Emerson and to Fremont.

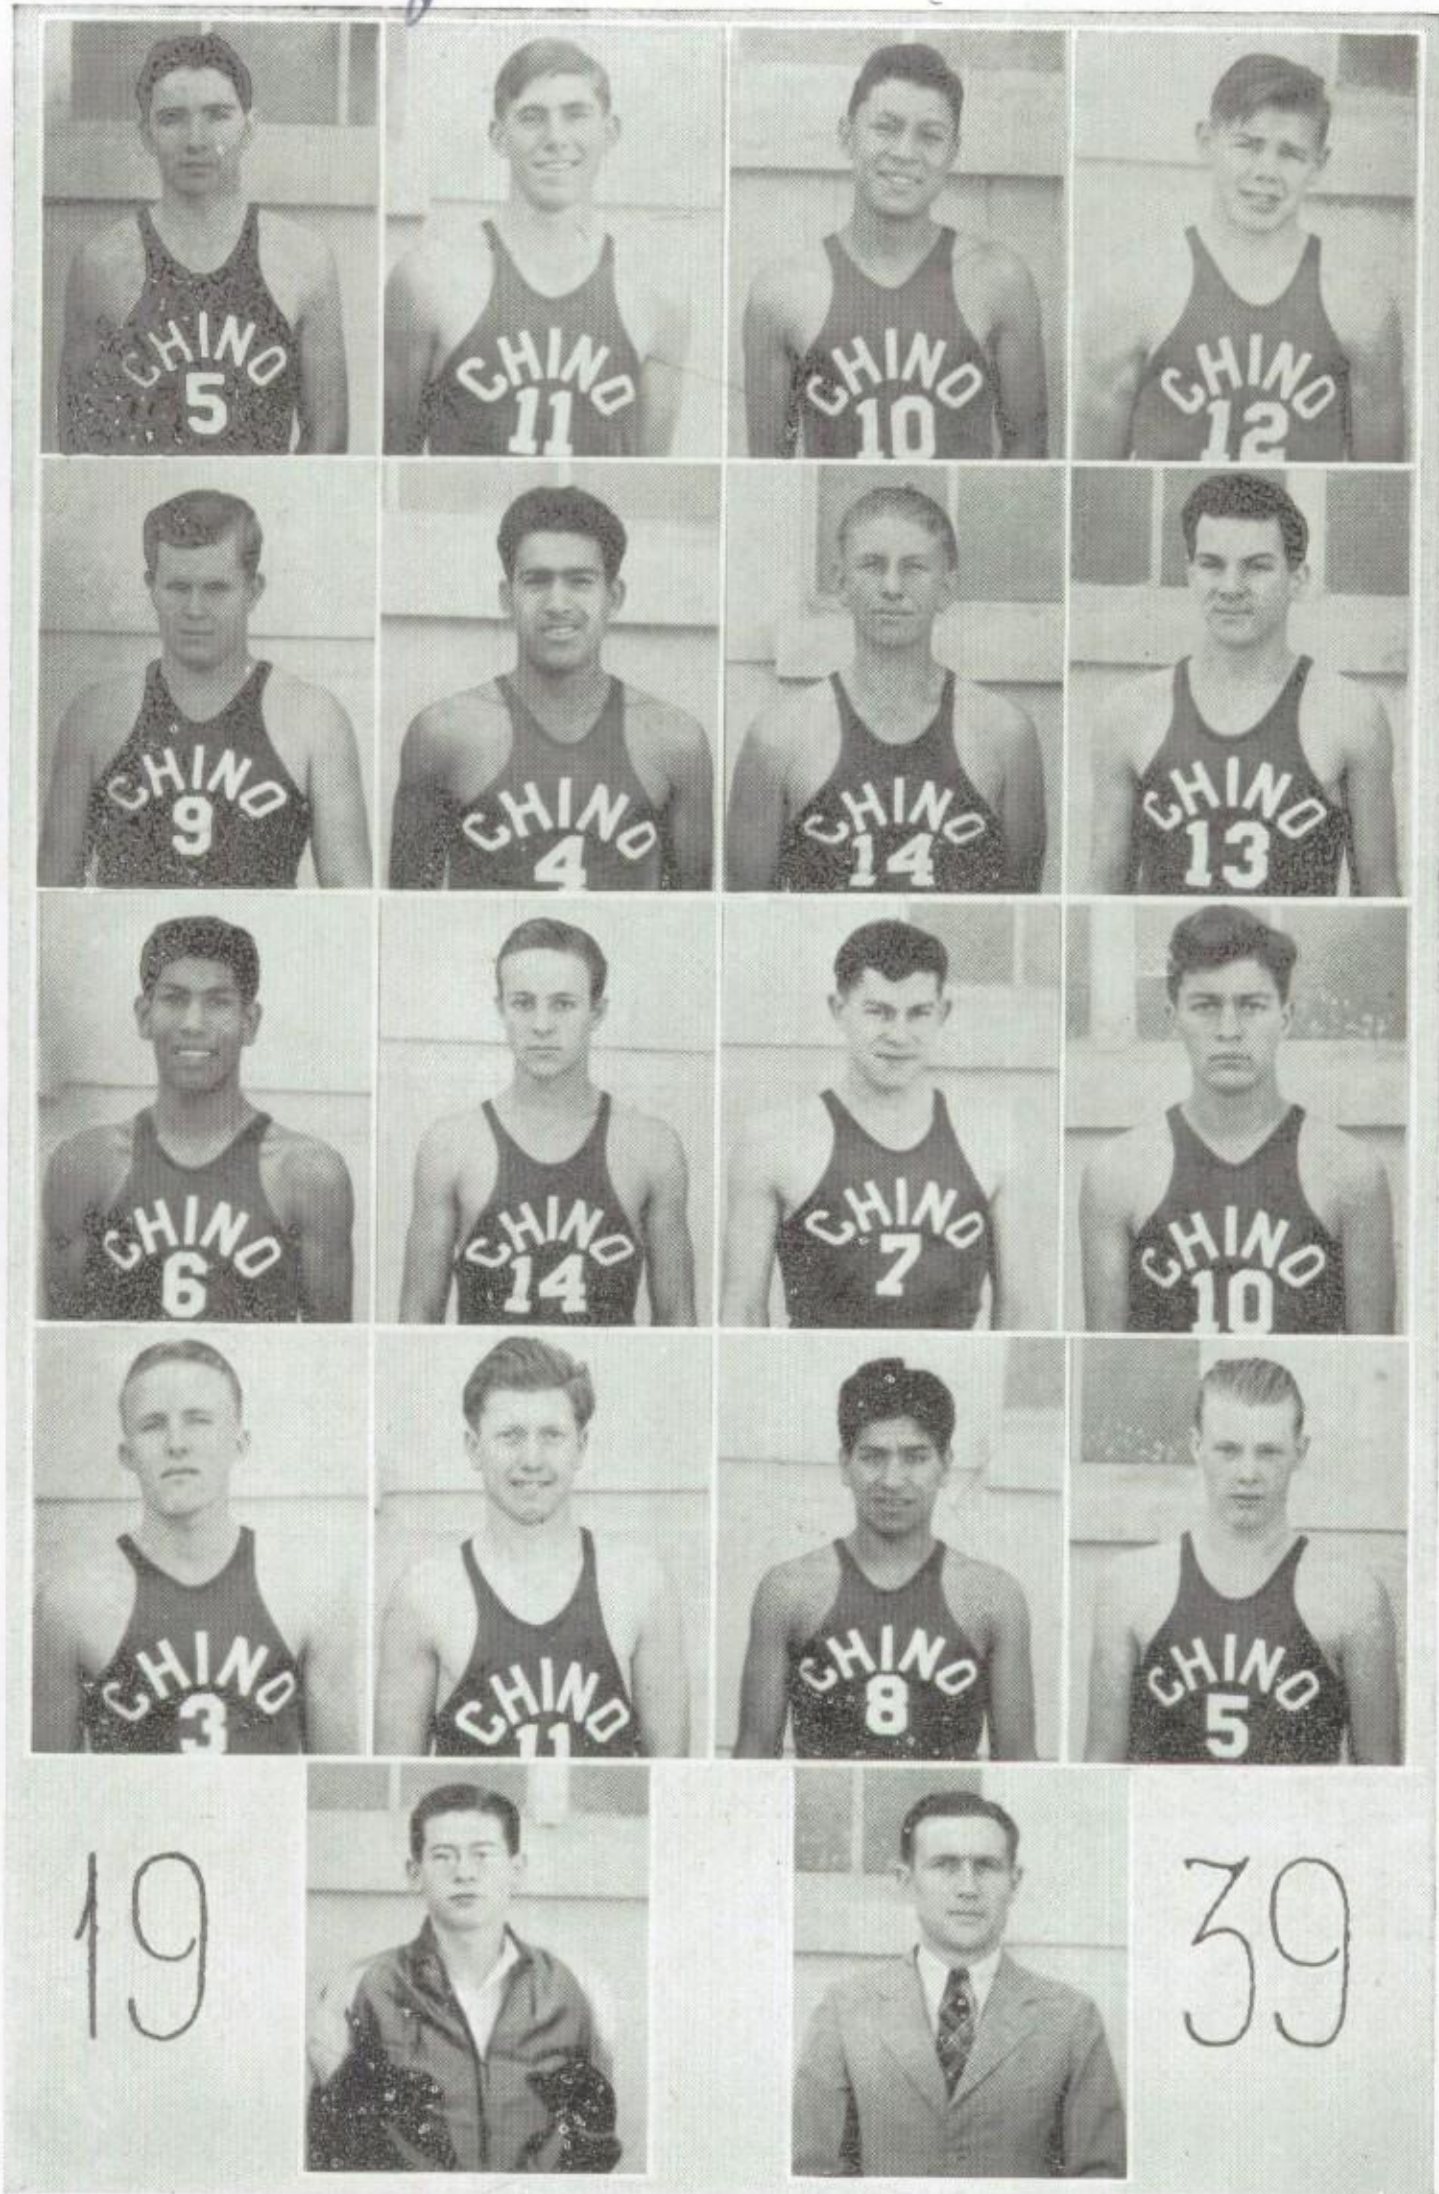

Lettermen include: Billy Vestal, Wesley Jones, Emerson Mitchell, Joab Pacillas, Frank Andrews, Dick Palmer. Junior Watson, Harold Webster, Roy Jones, Ted Bare, Margarito Delgado, Reynaldo Hernandez, Edmon Williams, Benton Race, Guifford, Moore, Robert Greer, Robert Helder—Mgr.

Varsity Basketball

For the first time in many years Coach Dickey failed to produce a championship team. As in other sports basketball was hard hit by graduation and ineligibility, but in spite of handicaps the inexperienced team put up a good fight and promises great things for next season.

The scores tell the sad story better than words: Puente 33 - Chino 19, Downey 21 - Chino 22, Corona 26 - Chino 24, Bonita 22 - Chino 18, Citrus 36 - Chino 19, Colton 24 - Chino 11, Claremont 24 - Chino 34.

The Cowboys were invariably ahead at the half, but the other team usually managed somehow to take the lead in the last quarter. The games were much closer than the scores indicate, and the season produced several "thrillers." In the Downey and Corona games, a last minute basket decided the winner.

Junior Dunavent, captain of the team, received the blanket award. Most of the lettermen will be back next year; so here's to a 1940 championship.

"B" Weight Basketball

Our "B" weight squad came out at the wrong end of the scoring in our league games, but there wasn't a game played without fight and spirit. In fact, the "B" weights furnished the best games of the season for the fans.

Preceding the league games, the team entered the Montebello Tournament, where they lost to South Pasadena in the finals 33-21.

In the first league game, we beat Puente 16-14 in a game of "survival of the fittest." We took Downey for a second win 17-13. A little tough luck followed us in the next four games. We lost to Corona 24-16. The loss to Bonita was felt the worst; the score was 19-17. The Citrus game was lost with a score of 12-8. The next game was lost to one of the co-champs, Colton; however, the Cement-Mixers had a good scare as the score indicates, 23-22. Undaunted the "Bees" took Claremont, with a few splinters, to the tune of 44-13.

Fletcher lead the scorers with 45 points, Marabella and Schultz tied with 20 each, Hernandez 17, Bernard 15, captain Dotta 11, Gonzales 5, and Nichols 1.

The above were Mr. Hauser's lettermen with David Strona as manager.

Standing: J. Rapattoni, P. Bernard, M. Crowe, E. Jertberg, D. Strona, B. Latham, H. Nickols, B. Townsend.

Seated: M. Burkhart, L. Fletcher, R. Marabella, Mr. Hauser, M. Dotta, G. Hernandez, M. Gonzales.

C & D Basketball

In spite of pluck and persistent playing, the young Cowkid quintettes just couldn't seem to make the steep grade to the championship this year, as they have in numerous past years. But they should be given due credit for their undying spirit, and the many games they won.

Coach Carter's "C's" started their season with a bang by defeating Puente 20-17 and Downey 26-17. They followed this by defeating the Tri-County Champions, Corona, 26-15. After these successes they somehow let down and were defeated by Citrus 15-8 and Corona 27-21. But in their final game, they came through in true style by defeating Clarmont 38-11.

The tale of Coach Mickey's "D" weights is quite different and just about opposite that of the "C". They may not have started out with a bang; but after getting warmed up, they really went to town. After suffering defeats by Puente, Downey, and Bonita, they defeated Corona 22-15, Citrus 19-15, Coiton 27-15 and Ciarmont 2-0.

"C" Lettermen were:..Captain J. Welch, J. Decker, D. Allen, J. Cummins, R. Padilla, W. Pine, and Mrg. T. Bowman.

"D" Lettermen were: Captain P. Crowe, G. Ayres, A. Wagner, P. Ilao, J. Smith F. Christensen, E. Weiss, and Mrg. N. Espinoza.

First Row: B. Webster, P. Crowe, J. Smith, G. Ayres, E. Weiss, A. Wagner.

Third Row: J. Welch, J. Cummins, J. Decker, P. Grimes, R. Padilla, D. Allen, J. Jertberg, W. Pine.

Fourth Row: Mr. Mickey, Mr. Carter.

Varsity Track

The Varsity Track team this year, although not sprinting quite so spectacularly as some of the former Cowboys, displayed the true, undying, and persistent Chino spirit. From a small group of twelve Coach Mickey moulded a fine, fast team.

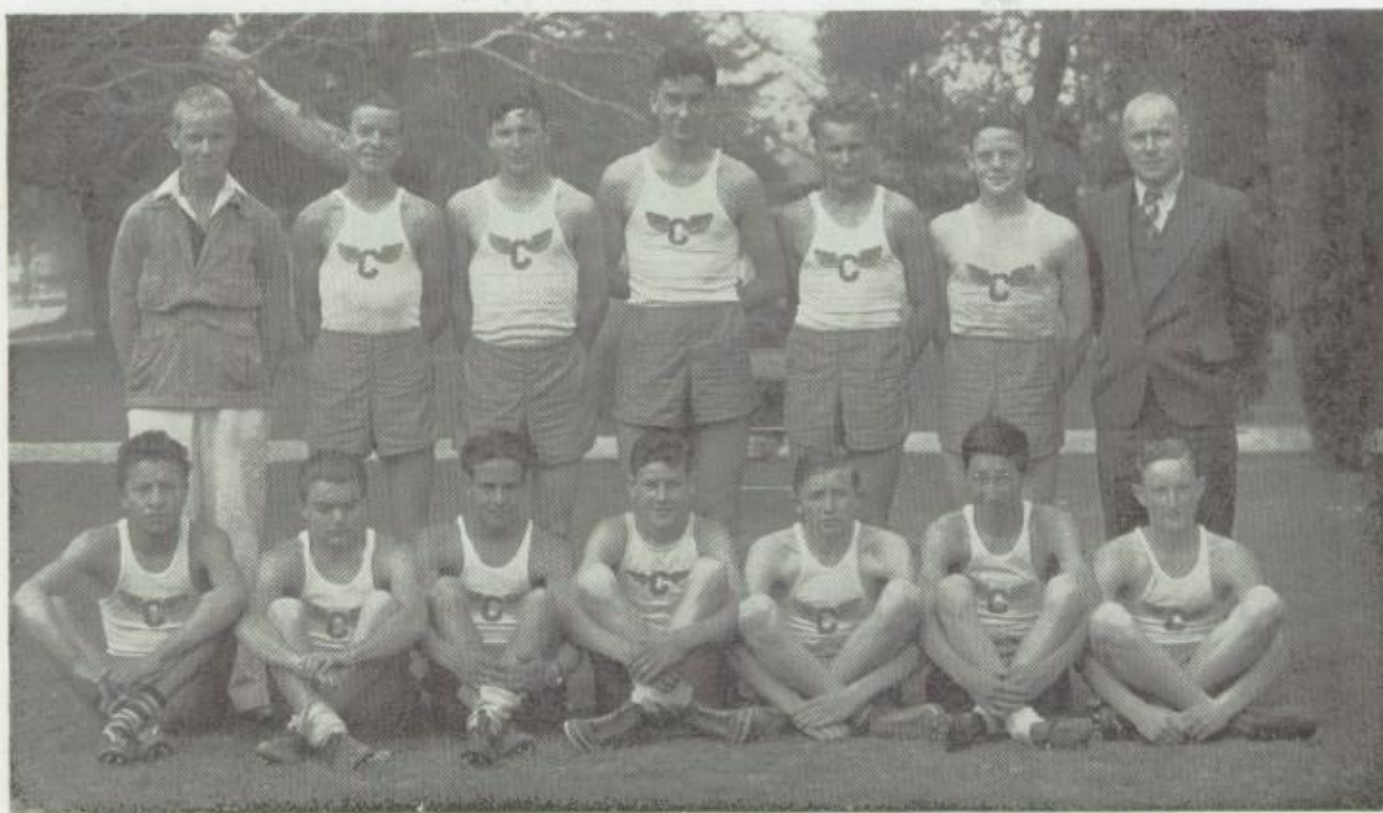

The teams ran off three league dual meets with Claremont, Downey, and Puente; and although they lost all three, they took several places in the events. At the divisional meet where all Tri-County Leaguers compete, in spite of the stiff competition, they placed two men: Orvis Wells first in the shot put and "Sef" Diaz fifth in the mile.

Orvis Wells was outstanding man on the team and broke the school record by "putting" the shot 45 feet and 5 inches. His first place in the divisional meet entitles him to enter the semi-final meet to be held at Riverside. Hence, Chino still holds hopes of another championship.

Lettermen were: P. Gonzales, S. Diaz, O. Wells, T. Tsuboi, J. Torres, and T. Chavez.

Standing: Mgr. L. Meairs, J. Langdell, Q. Moore, S. Diaz, O. Wells, A. Freitas, R. Matheu, Coach Mickey.

Bottom Row: P. Gonzales, T. Tsuboi, J. Torres, T. Chavez, D. Fox.

X Track

The X track team coached by Otis Brooks can be proud of the fine work accomplished this year. During the season the boys won three dual meets out of four. Their first victory was a win over Claremont 26 1-2, Chino 68 1-2. They lost the meet to Downey 72 1-2, Chino 22 1-2. The last two meets were won from Puente 46, Chino 49, and Bonita 41 1-6, Chino 56 5-6. The most outstanding record was made by Verne Berryman who made 56 1-2 points. On March 31, Corona won the Tri-County track meet, which was held at Puente.

Standing: Rowen Elrod, Mark Crowe, Verne Berryman, James Rapattoni, Jim Hartshorn, and Leo Fletcher.

Sitting: Manuel Gonzales, Cleo Cliburn, Jesus Romo, Paul Crowe, Jack Decker, Tom Fujiwara, and Ernest Weiss.

Varsity Baseball

As this article goes to press, the Cowboy "swatters" have played only two league games, and these two contenders were two of the strongest in the league, Corona and Bonita. To Corona they lost, in a thrilling game, 11 to 4, and to Bonita in a little closer game, 6 to 2.

The team opened the practice season this year by entering the Pomona 20-30 Baseball Tournament but had the bad luck to draw first the champion of the tournament, San Diego, and then another strong team, Citrus, and thus they were eliminated.

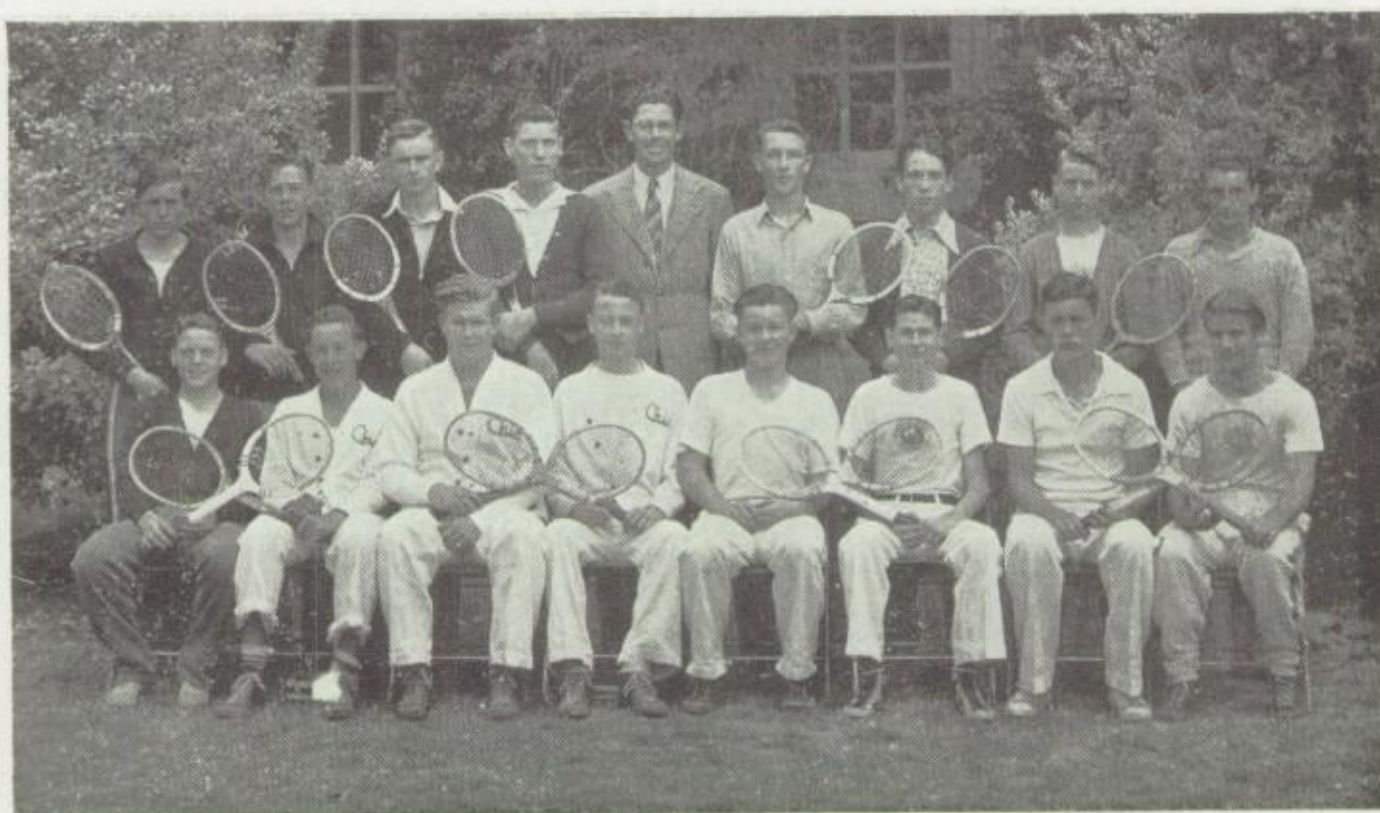

Although they haven't won a game as yet, Coach Elder says they won't be in the "cellar" of the league.

So on to victory for the Chino Cowboys, and although they may not be champions they can be relied upon never to give up: Capt. S. Diaz, W. Shultz, M. Gonzales, J. Whittington, R. Ayala, R. Marabella, A. Diaz, A. Whittington, R. Garcia, R. Thomas, and Mrg. A. Dominguez.

First Row: R. Garcia, R. Ayala, N. Espinoza, J. Torres, D. Allen, A. Diaz, F. Christenson, P. Gonzales, S. Diaz.

Second Row: A. Whittington, B. Townsend, R. Langdell, E. Schultz, B. Hunter, J. Whittington, L. Pellisier, R. Marabella, H. Nickols, M. Gonzales, R. Francis.

Standing: Mr. Elder, Z. Lemon, P. LaBaw, I. Bargoza, D. Summers, T. Chavez, B. Hood, B. Brown, F. Wiison, B. Hoggins, R. Thomas, S. Craig, Manager.

Varsity Tennis

Although the tennis season is not finished at this date, Chino has an even chance for a championship.

The team really looks great so far this season. The first league matches were played with Corona, defending champions from last year, whom they defeated 21 to 5. The most spectacular matches played in a long while were played with our arch rival, Bonita. We sent the Bearcats home without having won a single match, and the score was 25 to 0. Chino has yet to meet the strongest teams in the league, Colton and Downey; it looks as though we might steal wins from both and annex the tennis championship.

The usual line up of the team is: first singles, Douglas Abbey; second singles, Meairs, or Harold Hammond; first doubles, Leo Fletcher and Elmer Jertberg; and Jack Welch; third singles, Geoffrey Ayres; fourth singles, David Strona, Laddin second doubles, Jack Decker and Orvis Wells.

Mr. Hauser, the tennis coach, worked hard with the group of fellows that came out.

Standing: J. Decker, J. Jertberg, L. Meairs, A. Bennett, Mr. Hauser, J. Langdell, B. Latham, G. Ayres, D. Abbey.

Seated: L. Fletcher, E. Jertberg, O. Wells, J. Welch, D. Strona, C. Mitchell, G. Bigalk, D. Fox.

Girls' Basketball

A very successful basketball season was carried out under the guidance of Coach Larson and her four assistants: Arlene Berryman, Shirley Williams, Lenora Belardes, and Susan Hilbers.

Aproximately two hundred students watched an excepticnally fast junior team capture the interclass title from the sophomores. The proceeds taken in by the G. A. A. on that play-off game were put in the athletic injury fund.

Four class teams spent a very enjoyable play-day at Bonita, after which the juniors and sophomores proudly displayed well earned ribbons.

At the close of the season captain Hilda Espinosa, Betty Andrews, Mary Fletcher, and Gloria Jones, with Miss Larsen, Violet English, and her assistants, and G. A. A. manager, Patty Preston chose the all-star team of outstanding players from all four classes.

Left to right: G. English, B. Andrews, P. Preston, S. Wright, C. Wallace, G. Jones, B. Wright, H. Espinoza, J. Harford, F. Pickering, I. Morales.

Girls' Hockey

The hockey season proved to be most successful this year because the girls had more space available and more time to practice. By having two fields instead of one all four teams were able to practice on the same nights thus making keener competition. Two months of hard afterschool work turned out four evenly matched teams. The sophomores proved themselves the best team by winning the inter-class championship; the juniors took second place and were closely followed by the freshmen and seniors.

The Los Angeles Field Hockey Association invited Chino to attend a hockey playday at Griffith Park on March 25 in which nearly thirty other Southern California schools competed. The seniors tied their game while the other three teams were successful in winning.

Chino was host to Claremont, Downey, and Corona in the annual Tri-County League playday. Our teams won honors by winning three games out of four. Captain Mary Etchart and her junior team won 2-0; Captain Helen LaHorgue and her sophomore team won 3-1; Irene Morales and her freshmen team won 2-1. After the games the high school orchestra furnished music for a dance in the cafeteria. Unique programs were issued as souvenirs. Much of the success of the hockey season was due to Miss Larson as coach and Sadie Wright, manager.

Standing: B. Meairs, C. Morales, A. Berryman, G. English, Miss Larson, G. Bozarth, V. English, M. Grimes, H. LaHorgue.

Second Row: B. Wright, S. Wright, P. Preston, D. Wells, G. Jones.

Seated: P. Hodson, M. Pickering.

Girls' Tennis

Many more girls were able to participate in tennis this year, largely due to the fact that six new tennis courts were made ready for use. Besides a larger number who played, there was greater enthusiasm over the interclass schedule. In addition to the elimination tournament there were twenty-three challenge matches. Invitational matches were arranged with nearly all members of the Tri-County League, in which Chino made a fine showing. The following girls made up the teams:

1st. doubles - - - - Patty Preston and Claire Wallace.

2nd. doubles - - - - Barbara Meairs and Marcia McConnell.

1st. singles - - - - Betty Andrews.

2nd. singles - - - - Ellen Marie Anderson.

Left to right: Miss Larson, B. Andrews, E. Anderson, B. Moore, P. Preston, S. Williams, M. McConnell, B. Meairs, M. Fletcher, P. Hodson, C. Fujiwara.

Girls' Speedball

The first practice for speedball this year saw many enthusiastic girls from every senior high class ready to play hard until the last whistle blew. After a few nights of practice, teams for each class were chosen. The interclass competition was keen, and it kept everyone on his toes. The junior class, after a neat bit of playing, was crowned speedball champions.

Sadie Wright won the award offered for the largest percentage of drop-kicks made during interclass games, and Gloria Jones won the award offered for the most valuable player.

To top the season, a speedball playday was held at Corona High School, February 1. This saw many victories for Chino. All teams except the senior team came home with either wins or ties to their credit.

An all-star team consisting of the best players from each team was chosen.

Standing: B. Wright, M. McConnell, B. Andrews, B. Meairs, G. Jones.

Second Row: I. Morales, R. Robles, G. Bozarth, S. Wright, M. Grant, M. Pickering, P. Preston.

Thousands Spent For Students' Comfort

NEW AUDITORIUM DEDICATED

As an outstanding feature of the dedication ceremonies of the Chino municipal auditorium, Ernest Jones enthusiastically conducted the 200-piece orchestra through the exacting measures of his own compositions. The brilliant conductor, who spent his childhood in this community, has recently added to his orchestra several members who are Chino alumni. Darrell Summers, promising young trombone soloist, played the concert arrangement of "Jeepers Creepers" from the opera "Whatcha Got That Gets Me."

David Fox, noted car-laundryman, was master-of-ceremonies for the corner-stone ritual; he introduced the speaker, Mayor William Clark whose address dealt with the progress of Chino in the past ten years.

At the tree-planting ceremonies, Professor Wayne Baldwin planted the liquidamber styraciflua with a gold spade while the audience sang patriotic songs. Count Rudolf Weiss addressed the group.

A statue of Paul Crow stands at the highest part of the building. He is looking upward, still waiting for his baton to descend.

This municipal center adds much to the culture and beauty of Chino and will serve as a land mark for many years.

COME TO THE CARNIVAL

To raise money for the annual Junior-Senior Banquet, the juniors are presenting a carnival in the high school gym, tomorrow night. It will feature Junior Dunavent and his kitchen-utensil band; Madame Felisa Caballero, fortune teller; Don Cameron, world-renowned circus barker; Mildredde Brownne and her stupendous lion acts. Professor Silas Craig has a side-show advertising his miraculous Indian Remedy (guaranteed to cure what ails you). The main event of the evening will be a trapeze act by Joe Torres and Raphael Garcia. Come to the Carnival and help feed the ever-hungry seniors!

FORMER GRADUATE RECEIVES HIGH HONOR

Word was received here today by his parents that Lawrence Muzio, noted author and lecturer, has been awarded the honorary degree of Doctor of Philosophy by the University of Oxford.

Mr. Muzio graduated from Chino high school with the class of 1939, and since his graduation has traveled far on the road to success. His latest book, which has gained worldwide acclaim, is entitled "The Psychology of Personal Magnetism". This news will be of interest to his wide circle of friends in Chino.

GROSS COMFORT COMPANY SELLS NEW EQUIPMENT TO C. H. S.

Superintendent of schools, Rudolph Burger, announced this morning that the Chino schools are installing specially built easy chairs in all classrooms, replacing the uncomfortable wooden chairs which have been in use for the past fifteen years. These important changes, the superintendent stated, are due entirely to the work of Mr. Donald Gross, head of Gross Comfort Company, and former graduate of Chino high school. Mr. Gross traveled here from his factory in New York to attend personally to the installation of this furniture.

In an interview granted to the Lariat reporter this morning, Mr. Gross said, "Johnnie, when I was going to this school I was on the staff of your paper, and I felt that life was indeed a burden. I was always tired. My happiest hours were spent in the journalism class, which was fortunate in having two easy chairs and a davenport. As I relaxed on the davenport trying to think of an opening sentence for a sports article, I used to dream of the time when all of the rooms would be equipped with easy chairs. I resolved that when I was graduated, I would do everything in my power to see that the next generation of students should not endure the hardships that I did."

A PLEA FOR A NEEDED IMPROVEMENT

For several years the question as to whether or not we should drop the practically obsolete alphabet and multiplication tables, has been causing quite a controversy. Why should it be, when it has been successfully demonstrated in all colleges of any importance that the new logimetrix system is far superior to any of the antique systems still used here at Chino?

Even such tiny schools as Colton and Bonita with enrollments of only 1,200 have been using the short cut method for two years. Ever since Dr. Levi Dickey of Cal. Tech. originated the new system, noted scientists have used it with no sign of error, yet the school board still persists that the old methods are best. One should accept the inevitable changes as they come, or fall by the way side. Why should an entire student body be held back because a few men are afraid to face the future?

The fact that Mr. Dickey was a mathematics instructor here many years ago, should have us backing his wonderful system instead of attempting to hamper it. Many worth while plans have been turned down or thrown out in the past and it's time for the tables to turn.

Logimetrix is a sound and worth while system and we demand that it be introduced in our high school.

BIDE-A-WEE RANCH HAS DISTINGUISHED VISITORS

Distinguished week-end guests at the Bide-A-Wee Ranch included Charles Daniels, star polo player; Esther Bailey, frivolous Boston equestrienne; Gene Deitrick, author of "The Art of Conversation"; Millard Frady, diplomat; and Louise Gakle, manager of the California-Arizona goat farms. The hostess, Miss Warene Cliburn, has just developed a new strain of midget mules on her experimental farms. Miss Cliburn's accomplishment is recognized in the Western states as an achievement of value to the ranchers and it is hoped the mules will also developed a racing strain. Their speed and efficient work are amazing. They are smaller than a Shetland pony and their most outstanding characteristics are loyalty and ceaseless energy. The practicability of the animals especially fascinated the guests.

Evenings were spent in playing that old-fashioned game of Chinese checkers, so popular in their high school days.

★ Cowboys Win Play-off From Colton ★

SWIMMING TEAM SCORES AGAINST BONITA

The swimming team of Chino high won from their old rivals, the Bonita Bearcats, in a match which was held last Friday. The Cowboys made a showing considering that this is the first year they have competed. They took first in every event except the mile free style swim.

The contest was held in the newly completed swimming pool which is equipped for high diving exhibitions; the highest platform being 45 feet above the surface of the water.

This is the Cowboys' third victory this season. Good going fellows.

BUS SHEDS ABANDONED

Not having been used for several years, some of the old bus sheds have been torn down to make room for a new airplane hanger to be erected soon. It will house the three new planes just purchased for transporting students in the outlying districts to Chino High School.

These new planes are equipped with hooks which, as the planes fly low, pick up the large baskets in which the students ride. The other old bus sheds will be occupied soon by the agricultural departments for experimenting on new-type insecticides.

GIRLS WIN TRI-COUNTY HONORS

Under the guidance of Chino's new girls' physical education director, Marybelle Grimes, the teams competing at Bonita yesterday came home victorious. Susy Ipswitch was high point winner in the hop scotch division, Goldiebelle Galloper came out on top in rope-jumping competition, and Patty Putterpotts, as captain of the jacks division won over her opponents. These amazing amazons will clash with San Diego for the Southern Championship next week.

The girls receiving their letters last week for drop-the-bandana games were: Dimpleh Dishface, Sara Sourpuss, Gertie Gadabout, Jennie Jitterbug, Flora Flycatcher, and Tizzie Topsy.

FLASH ! ! !

Word has just been received that the Chino High School Debating team took second place in national competition at Chicago High. Arkansas mysteriously walked off with first honors in this inter-nationally famous contest.

CHINO'S SIX-MAN TEAM TO RECEIVE INDIVIDUAL TROPHIES

The Chino six-man football team was victorious over their deadly rivals Friday, in what proved to be a real thriller. The score of 27 to 23 was much closer than the figures indicate. Many times Oscar Highpockets, the Yellowjacket flash, would break away for long gains only to be stopped in the nick of time by a shoe string tackle.

With many misgivings the sport was first tried here three years ago, but there was no doubt in any one's mind after Friday's game that six-man football is the only real high school sport. The spectators eat up this game which has reduced football of 10 years ago to a minor sport such as golf and tumbling. Due to a little inefficiency on the part of the gate crew, the receipts amounted to only \$353.75 but when this sum is added to the season's take, it looks as if there will be enough dough in the coffers of the Student Body to outfit the 8th string with new suits next year.

The team has done exceptionally well this year in easily defeating all opponents with the possible exception of Colton. They will be presented with their individual trophies in assembly next Thursday.

Dear Helouris: Here I am finally writing in your
annual. It's sorta late, but better late than
never. I don't know where to start in reminding
you of our good times. I think I can begin
with the J.C. formal, or wouldn't you remember
that? We really had fun that night tho, didn't
we? then there was our own banquet. Pretty
good, no? Remember the dance to Downey
and how tired we were coming home. And
the goodies we made, it amazed me! Then
that day we ditched and went to the
show, and the green pot we turned over,
and how we tried to get in for half price.
Then when the usher said "there's seats for
everyone." Our day at the mountains was
fun tho bad you were sick. You missed the
Jr. Mountain day, but that was a swell
dinner you cooked us that nite.

This seems sorta just like last
summer, Dennis being away; don't go "bloating"
about Richard being here tho. Remember the
fun we had chasing the postman last summer?
Remember all the swell times we've had
at the beach. We had fun Sunday, riding
that sheet. I hope we can go again pretty
soon, maybe in six weeks. Well, it's customary
to wish you luck and tell you you've made
a swell Girls' League President. It gives me
great pleasure to success you, and to work with
the "ol bat." Here's hoping we have a swell Sr.

year. I'm glad we both passed. Aren't you. Let's have a swell time this

Reserved for Larry M.

Hi ma —

Dec! another year gone by and
more years to come. Trying to fill one
page is just like trying to fill up a
book. So here goes. I did enjoy your
company in Walter's room and had swell
times with in the halls. I will
always remember those curls you would
make in Walter's room for me. They
were really the real McCoy. Well we got
in A in the first paper in English
but that second is the one that's troubling
me. Oh well she can't give me a
lower grade than she has been giving.

Of course you being her pet you
didn't have any trouble getting it's just
as bad as the Stings. Well I did enjoy
myself at the banquet stepping all over
your feet while I was supposed to be
dancing you brought on yourself. You

Junino did give a pretty good banquet
after all when thought gave had to
make the money on ~~certs~~ serials.

you guys did a good job decorating
the hall. next time you want to go to

a Senior breakfast better wake up a little earlier and not sleep until noon and expect to have someone take you to the breakfast. Well I can't say any more so I'll have to close saying that I did enjoy your friendship a great deal and hope we will continue be very good friends for years to come. Be good to Richard. If hear about any arguments you had with him I'll sure make ^{you} go to him on your hands and knees and apologize to him. I know that won't have to be done so. I won't worry about it. Be good wishing you luck
a Senior Pal

Dear Delores,
 I don't know whether
 or not I should write
 in this book or not be-
